## CAMPING & 4WD

Introducing the next evolution in Australian Made Drifta Off-Road Tourers – DOT 2.0. Born from the legacy of the original DOT, this trailer is designed by Luke The Drifta and proudly manufactured in Brisbane by the same skilled hands trusted to produce Australian Defence Force trailers. Go anywhere with military grade suspension, 140L water tank, 1.9m Frontal Drawbar Length, Twin Rear Heavy Duty Recovery Points, 250L Cargo Case, Underbody Spare Tyre Mount, 12 Inch Electric Drum Brakes and so much more that make this Drifta's ultimate Off-Road Tourer.
